Maximum Retail Price List
Effective from 15th July 2015

When you're one of the most sought after ceramic brands in the world, you'd want to leave your mark of success in everything else you touch. Therefore, we present RAK Sanitaryware, from the house of RAK Ceramics, that offers a range of choices in wall-hungs, water closets, bowls and counters for luxurious bathrooms.

The multi-speciality plant at Samalkot, Andhra Pradesh, is where these ideas take shape. Every piece is meticulously crafted with the finest imported raw-materials sourced from the best across the world and come with a much deserved ISO certification and an approval by WRAS (Water Regulations Advisory Scheme, UK). After all, we have standards to match and reputations to live up to.

Much like our range, their design speaks for itself. With ingenious ideas from Italian and British Design Consultants, the range is sure to leave you fascinated with its design and efficiency. And what's more, an in-house testing laboratory ensures quality of the highest standards. Every piece designed aims to indulge consumers in luxury bathware using precision, function and water-efficient designs.
