Vitrified Tiles for Interiors & Exteriors

Beautiful, Durable...

INSIDE

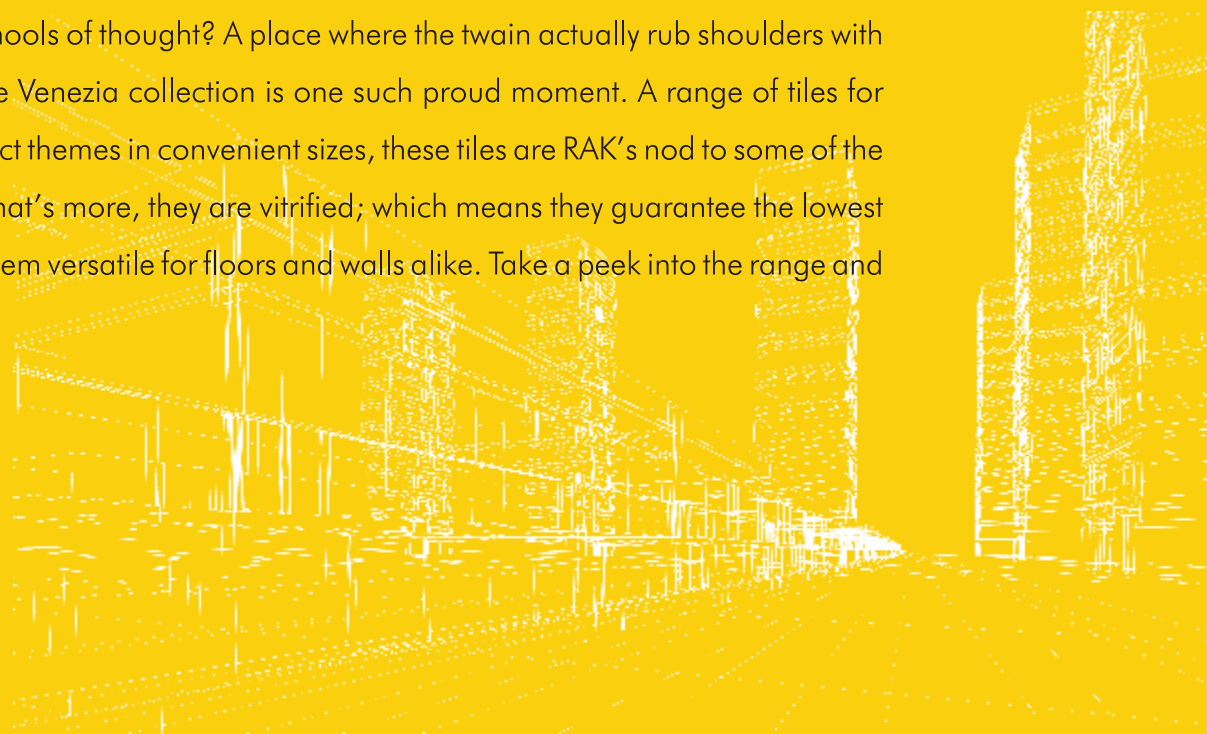

OUT!

VENEZIA

C O L L E C T I O N

Some say beauty lies in the eyes of the beholder. Some say beauty is skin-deep. Some others think no matter how things look from the outside, but what really matters is what lies inside. And from time immemorial the world has held up the argument saying never shall the twain met. But have you considered a situation where it's a glorious communion of the two seemingly disparate schools of thought? A place where the twain actually rub shoulders with each other, comfortably? At RAK Ceramics the Venezia collection is one such proud moment. A range of tiles for interior as well as exterior. Available in six distinct themes in convenient sizes, these tiles are RAK's nod to some of the highest known international standards. And what's more, they are vitrified; which means they guarantee the lowest water-absorption in its class and which make them versatile for floors and walls alike. Take a peek into the range and experience beauty inside-out.

Note : *Colour shown in this catalogue may vary with the original tile. *Slight shade & size variation is an inherent property of ceramic / vitrified tiles. RAK's SG / MATT / RUSTIC are non polished product and therefore the tolerance will not be similar to polished models. However all RAK tiles will conform to international and RAK standards for non-polished products.
